Hi Kathleen,

Would it be possible to add the SA's to your daily calendar emails? I'm trying to figure out ways that we can get them integrated into the day-to-day work without having anyone have to do any extra work, etc.

Let me know your thoughts.

Nice to hear from you. Yes - I would love to get together with the Administrator and very much look forward to catching up. 8am on Friday October 29th works well for me, and I will block it out on my calendar until you all confirm it.

Send my warmest regards to folks and let them know I am so appreciative of all the work going on at EPA.
